

**Safety Data Sheet**

Date of issue:	Supersedes version of : NA	page 1 of 3
n.a. = not application , n.k. = not known		
<b>1 Identification of substance/preparation and of the company/undertaking</b>		
product details:		
Trade name:	Latex Tubing (All colours)	
<b>Manufacturer/supplier:</b>	Thai Centri(1995) Co.,Ltd.	Tel: (6634) 479-896-7
		Fax: (6634) 479-898
	44/5 Moo5, Soi Suwan Setthakij Rd,	E-mail: info@thaicentri.com
	Klongmadua, Kratumban,	www. thaicentri.com
	Samutsakorn 74110 Thailand	
<b>2 Composition/information on ingredients</b>		
Chemical characterization	: Natural rubber latex	
Hazardous components	:	
Non-hazardous component (100%)	:	
<b>3 Hazards identification</b>		
Not expected to be a health hazard.		
An FDA Medical Alert has been issued (March 29,1991:MDA 91-1) "Allergic Reactions to - Latex Containing Medical Devices" This alert states that medical devices manufactured from - natural latex rubber have been reported to cause allergic reactions, including anaphylaxis, in some exposed individuals.		
<b>4 First-aid measures:</b>		
General information:		
<b>After inhalation</b>	: Not likely to occur	
<b>After skin contact</b>	: None	
<b>After eye contact</b>	: Flush with water	
<b>After swallowing</b>	: Not likely to occur	
<b>5 Fire-fighting measures</b>		
<b>Extinguishing media: CO2 , Foam , Dry chemical</b>		
<b>Unsuitable extinguishing media</b>	: none	
<b>Special Hazards</b>	: none	
<b>Protective equipment</b>	: Fire fighters must use self-contained breathing apparatus	
<b>6 Accidental release measures</b>		
<b>Personal precautions</b>	: store away from heat and open flames	
<b>Environmental precautions</b>	: Observe local by-laws	
<b>Methods for cleaning up</b>	: Shovel up and dispose of in approved waste facility. May be incinerated in compliance with prevailing - regulations.	

Safety Data Sheet

Date of issue:	Supersedes version of : NA	page 2 of 3
n.a. = not application , n.k. = not known		
<b>7 Handling and storage</b>		
<b>Handling:</b>	: Follow instruction for use	
<b>Storage</b>	: Keep in clean , dry place. Store away from heat - and open flames	
<b>8 Exposure controls/personal protection</b>		
General	: None	
<b>9 Physical and chemical properties</b>		
<b>Appearance</b>	: Latex tubing of various colours - and various size	
Odor	: Slight odor	
Boiling point/melting range	: not applicable	
Flash point	: none	
Flammability/Autoflammability	: na	
Explosive properties	: none	
Explosive limits in air	: LEL: na	UEL: na
Vapor pressure (T=)	: 0	
Relative density (T=)	: na	
Solubility	: negligible	
PH	: na	
Viscosity (T=)	: na	
<b>10 Stability and reactivity</b>		
Conditions to avoid	: Strong oxidation	
Materials to avoid	: Strong oxidizers	
Hazardous decomposition products	: None	
<b>11 Toxicological information</b>		
Vapor inhalation (high contraction)	: Not hazardous	
-to skin	: None	
-to eyes	: Flush with water	
-to respiratory system	: Not likely to occur	
-Further toxicological information	: See section 3	
<b>12 Ecological information</b>		
General information	:	
<b>13 Disposal consideration</b>		
Shovel up and dispose of in approved waste facility. May be incinerated in compliance with - prevailing regulations.		

**Safety Data Sheet**

Date of issue:	Supersedes version of : NA	page 3 of 3
n.a. = not application , n.k. = not known		
<b>14</b>	<b>Transport information</b>	
<b>15</b>	<b>Regulatory information</b>	
	Not hazardous	
<b>16</b>	<b>Other information</b>	
	The above information is based on our present day knowledge and related solely to the safety-requirements of the product. However users of the product should satisfy themselves that the-information given is sufficient and correct for their specific circumstances of use.
